COVID-19 Update

McCulloch County Schools - Brady, Lohn, and Rochelle ISDs will continue to be closed through May 4, 2020

On March 31, 2020, Texas Governor, Greg Abbott issued an Executive Order extending his Declaration of a Public Health Emergency for the State of Texas. Due to this Executive Order, Brady, Lohn, and Rochelle ISDs will continue to be closed through May 4, 2020.

Throughout this extended closure, our administrators and teachers will continue to support our students through home-based instruction. We will also continue to provide our students with lunch and breakfast as needed. If you have any questions, please contact your child's campus principal.

We will continue to keep our parents updated through school messenger, our district websites, and Facebook.

Brady ISD – Hector Martinez
Lohn ISD – Leon Freemen
Rochelle ISD – Dave Lewis
