Principal: Kevin White
Assistant Principal: Carrie Ross
Counselor: Karla Moerbe

Karen Bivins: Administrative Assistant / Purchasing
Christy Everett: Administration Assistant / Attendance
Kellie Medrano: Registrar/PEIMS

Given the rapidly evolving situation with COVID-19 Brady, Lohn, and Rochelle ISDs will extend the suspension of normal district operations through Friday, April 3rd in an effort to support our nation's need to slow the spread of the novel coronavirus, or COVID-19. Our health officials report that cases are continuing to spread in the state and confirmed cases in our county seems likely. Suspending operations for this length of time will allow us to determine, in coordination with local health officials, whether the virus has community spread or whether it has been contained. We are coordinating together the week of April 3rd to make any decisions on whether there is a need to extend the suspension further.

During this time, districts will switch to off-campus instruction for students. Guidance for off-campus instruction can be found on each district's website and respective campus websites. Districts will continue to provide breakfast and lunch to students throughout this shift, according to each district's plan.

The Centers for Disease Control and Prevention has outlined the need for all communities to implement a social distancing protocol. We want to reiterate a request to our broader community to take the following reasonable precautions to prevent the spread of the illness:

- Don't shake hands.
- Wash your hands regularly.
- Limit movement within the community, especially avoiding crowded places and maintaining 3 to 6 ft of distance between people (at least an arm's length).
- If you are moving around in the community, don't congregate in large groups.
- For those who have traveled to areas with known COVID-19 cases – both inside and outside of the country – we ask that you contact your local health department and self-quarantine and monitor for symptoms based on their recommendations.
- If you suspect you have symptoms of COVID-19, call your health care provider for medical advice.
- Keep your child at home if he/she feels ill, even if you think it is just a cold.
- Do not leave the house if you are ill, except to access medical care.

This is a quickly changing situation, and we will continue to monitor information, will assess conditions throughout the week, and will provide updates via our district websites and email. Thank you for your patience, support, and cooperation as we work through these challenging times.

McCulloch County Superintendents

Brady ISD – Hector Martinez

Lohn ISD – Leon Freeman

Rochelle ISD – Dave Lewis
