

February 21, 2020

Dear High School Counselor :

The Board of Directors of West Central Wireless have approved a scholarship program in the amount of \$500.00 per year to some surrounding high schools in our coverage area.

The following is a list of selection criteria established by the Board for you to choose the recipient of this scholarship.

- < Candidates and the winner will be determined by each high school with results forwarded to West Central Wireless.
- < The amount of the scholarship will be \$500.00 to be paid in the year of graduation based on academics and financial need combined.
- < The scholarship candidate selected can receive no more than \$1,000.00 inclusive of this award in scholarships in order to qualify.
- < The recipient must be a graduating senior.
- < The contact person from your school should notify West Central Wireless with the recipients name no later than two weeks prior to presenting the scholarship.
- < A member of the West Central Wireless Board of Directors or staff will award each scholarship certificate at the appropriate school function.
- < Scholarships may only be used for tuition, books, or other fees at a University, Junior College, Community College or Technical School.
- < Payment will be made to the University/School of choice in honor of said student.

We look forward to working with your representative on this scholarship project. Please contact Lydia Escalona at lydia@wcc.net to start this process.

Sincerely,

Mike Higgins, Jr.
General Manager
West Central Wireless
