

Brady High School

Online Version: Integrated, Physics, & Chemistry

Course Information

Teacher: Stacy Stayton

Class Location: A137

E-Mail: sstayton@bradyisd.org

Online Class Expectations

Online google classroom expectations are very similar to normal classroom expectations. Every student in my current classes, have already added this class and know how to complete and turn in assignments.

1. **Be respectful.**
2. **Be responsible for your learning.**
3. **Do your best every day.**
4. **Have all assignments complete and posted by due dates.**
5. **Be kind.**

I believe every possible disruption to learning is covered in the expectations above. If you are respectful, responsible, and give your best every day, we should have a successful class. Any discussion boards **MUST** be kept professional and on task. Any obscene or rude comments will be deleted, and you will not receive credit for that discussion.

Homework

When homework is assigned in google classroom, it should be turned in on or before the due date. Homework provides a wonderful opportunity for you to improve your overall grade. Homework turned-in late could reflect poorly on your homework grade.

Make-up Work

If you do not turn in the assignment by the given due date, you will have points taken off of each late assignment.

Materials

Since our textbooks are in the classroom, I will be scanning the information needed and attaching it with each assignment.

Contact Hours

I will be available everyday 8:00 to 3:00 during the week. If you have any questions or concerns, you can email me or call the school.
