

How to join a class

You have 2 ways to join a class:

- Join a class with a class code—If your teacher gives you a class code, use this code to add yourself to the class. Your teacher might give you the code while you're in class or email it to you.

Forgot or lost the class code? Code won't work?

If you deleted, lost, or forgot the class code before joining a class, ask your teacher to resend the code or set a new one. If the code isn't working, ask your teacher for help. At dgarcia@bradyisd.org

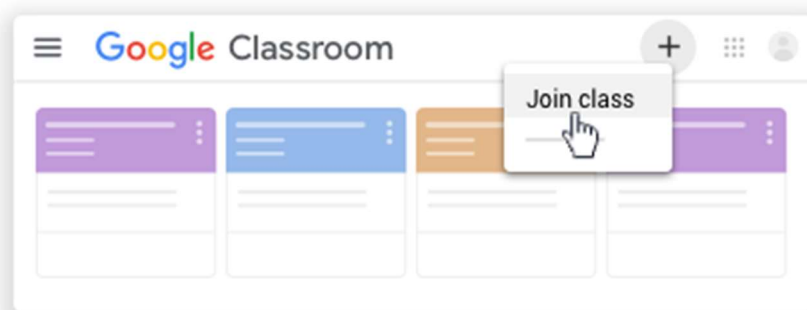

Note: You only use the class code once to join the class. You are then enrolled in the class, and you don't need to re-use the code again.
