

Dear Chemistry students,

Hello, students. I sure am missing seeing all of you in class each day. Hope you are doing great. I am sharing some information with you today about our class. Currently, we **ARE** scheduled to return to school on Monday the 23<sup>rd</sup>. The information I am giving you in this email is an alternative plan **IF** we do not have school on Monday or **IF** your family chooses (as they can) to have you stay home.

I have attached a document which gives instructions on how to log in to my chemistry google classroom.

I have attached a copy of my class rules for online curriculum.

\*\*\*Your Biology class code is listed in the subject box at the top of this email.

All the information will also be on my teacher web page on the school website.

\*\*\*\* Please, be sure to notice the due dates on all the assignments and the instructions. You are responsible for all online work in order to get credit for the course.

If you have any questions about assignments, have problems logging in, or do not have your textbook with you; you may email me at [dgarcia@bradyisd.org](mailto:dgarcia@bradyisd.org) or call me at 325-597-2491 ext. 1136 from 8AM to 3PM.

May you have a blessed day, and I am looking forward to seeing you all.

Sincerely,

Mrs. Garcia
